September 30, 2021
Casa Mia at the Hawthorne, Berlin, CT

Now that COVID-19, mask mandates, and social distancing requirements are moving behind us, we are looking forward and have rescheduled the CSA Gold Circle Dinner for Thursday, September 30th.

The event will be held at the Casa Mia at The Hawthorne in Berlin, CT, from 5:00 pm - 8:00 pm.

CSA's priority is meeting attendees' health and safety, so the CSA dinner setup will ensure that we follow any regulations in place in the fall.

The CSA Gold Circle Dinner will honor the top-rated general contractors from the 2020 General Contractor Report Card. CSA will honor four winners at the dinner as the Report Card had ties for both first and second place. The winners include:

First Place

Dimeo Construction Company
Gilbane Building Company

Second Place

O&G Construction
Turner Construction

The General Contractor Report Card and the Winners!

As a service to the state's subcontractors, the Connecticut Subcontractors Association (CSA) conducted a General Contractor Report Card Survey earlier this year. Participants completed the surveys anonymously, and the data collected was collected in the aggregate.

CSA is pleased to announce the general contractors that received the highest-rated scores from the 2020 CSA General Contractor Report Card. This year we had a tie for both first and second place, so we have four winners to announce.

First Place

Dimeo Construction Company
Gilbane Building Company

Second Place

O&G Industries
Turner Construction

General contractors received ratings on the following criteria:

- ⊗ General oversight and control of the project;
- ⊗ Coordination and management of the scheduling of the work;
- ⊗ Management of the requisition and billing process;
- ⊗ Timely payments to subcontractors;
- ⊗ Administration and processing of change orders;
- ⊗ Overall performance; and
- ⊗ Contract closeout and final payment/retainage.

Fees

Dinner:

First Member Attendee - \$75.00
Each Additional Member Attendee - \$65.00
Non-Member Attendees - \$110.00
