

First Place

The logo features the word "Gilbane" in white, bold, sans-serif font, set against a red rectangular background. To the right of this, the number "150" is displayed in a large, grey, sans-serif font.

Gilbane Building Company is a family-owned, global, comprehensive construction and facilities-related solutions firm. Building upon the success of more than 150 years in business, Gilbane is recognized as an industry leader that delivers innovative building solutions – from state-of-the-art sustainable buildings to the latest applications in construction methods and technology.

Our Glastonbury and Stamford offices offer seasoned professionals who deliver a full range of preconstruction, construction, and program management services to public, commercial, and institutional clients throughout the state. Gilbane began serving the Connecticut construction market 77 years ago. Ranked the #3 top contractor in Connecticut by Engineering News-Record 2020 and a Hartford Courant Top Place to Work, we remain a leader in the delivery of preconstruction and construction services, and construction administration.

With over 100 Connecticut employees, Gilbane is one of the largest providers of construction management services. A unique strength is our ability to deliver a strong local team with the resources of one of the largest construction management firms. Projects managed in Connecticut range in size from \$25,000 to over \$200 million across all market sectors. Notable projects include: Connecticut Convention Center, Rentschler Field, Hartford Hospital's Bone & Joint Institute, Slate School, FactSet's Headquarters, and Pfizer's Building 225
