

**CONNECTICUT
SUBCONTRACTORS
ASSOCIATION**

Join the Connecticut Subcontractors Association

CSA membership gives service providers exposure to potential clients and contacts with the members of the subcontractors industry.

✓ Associate Membership

CSA associate members service or supply the Connecticut subcontractor industry. Associate members provide legal, accounting, insurance, and financial services.

The associate membership fee is \$500.

✓ Exposure

As a CSA associate member you will gain visibility with subcontractors. You can have a FREE table-top exhibit to promote your company's product or services at your first meeting. You will also get special recognition and be introduced at your first meeting providing even more access to subcontractors.

✓ Networking

Subcontractors recognize that CSA associate members are a valued segment of the association and strong supporters of their industry.

CSA Associate Members can attend the seminars and networking meetings that attract the leaders and shakers in the subcontractor industry in Connecticut. These high quality programs provide associate members with a great opportunity to showcase their products and services plus network with current and potential clients.

✓ Newsletter

All associate members receive the CSA E-newsletter, which includes information about association events, key legislative issues, as well as other articles relevant to subcontractors.

✓ Website Listing

The Association's online Membership Directory will not only list your contact information, it will provide a direct link to your website to drive our members directly to your product or service information.

An email link is also provided to give members the chance to contact you directly.
